Good Morning,

We have made the difficult decision to delay the start of our Spring Session. Effective today, we will be closed until March 30. This decision is out of an abundance of caution related to the spread of COVID-19. The health and safety of our students, staff and the communities that we are in, remains our top priority. We want to assure you that there have been no confirmed cases in any of our locations.

This is a very fast moving situation. We will continue to update you via email should things change. We look forward to getting back to gymnastics with all of our class and team kids.

Regards,

Mike and Leo
