

04/17/20

Dear Loyal Customer

We hope that you are staying safe and healthy. We would like to announce that we have partnered with mygymisonline to provide custom content and classes to all of our members at no additional charge. We feel as though this platform give us more content than we would have been able to create ourselves, therefore giving you, our customers a better product. In the coming weeks we will be adding some live classes on zoom. You will receive separate emails based on the current program that you are enrolled in. Look for Preschool, Grade school and Advanced classes. We are already piloting some different classes for our various levels of Team.

We are encouraged that we will be able to open in the near future. The exact date is not in our control, but in the control of our State Government. We can assure you that, when we do open, adjustments in the way that we schedule and operate will have been made to ensure the safety of our Staff, our Students and their families. Please be patient with us as we adjust to the “new normal”.

Registering for the Online content is very easy. We have installed a link on our homepage. When you go to our homepage www.massgymnastics.com you will see a link on top right corner: **Online Classes**. Although many gyms are charging for this type of service, we have made the decision, for now to offer this as a value add for our loyal customers. After you click on Online Classes, click Register with code. **Your Access code is: access2020**. We would appreciate any feedback on the classes that you access.

We hope that this letter finds you healthy and upbeat as we all come together to get through these unprecedented times.

Warm Regards,

Mike and Leo
